

Privacy Policy

AirEase

Operated by C&K Capital Limited

Effective Date: June 3, 2026

1. Introduction

This Privacy Policy describes how C&K Capital Limited ("we," "our," or "us") collects, uses, and protects information when you use the AirEase mobile application ("App"). By using AirEase, you agree to the practices described in this policy.

2. Information We Collect

2.1 Location Data

With your permission, AirEase collects your device's geographic location to identify nearby airports and provide relevant flight search results. Location data is used only while the App is in active use and is not stored on our servers.

2.2 Usage Data

We may collect non-personally identifiable information about how you interact with the App, including search queries, feature usage patterns, and device type. This data is used solely to improve App performance and user experience.

2.3 Information You Provide

If you contact us for support, we may collect your name and email address to respond to your inquiry.

3. How We Use Your Information

We use the information collected to:

- Provide and improve flight search results based on your location
- Enhance App features and fix technical issues
- Respond to user support requests
- Comply with applicable legal obligations

4. Data Sharing and Disclosure

We do not sell, trade, or rent your personal information to third parties. We may share data with:

- **Service Providers:** Third-party vendors who assist in operating the App (e.g., flight data APIs, analytics providers), subject to confidentiality agreements
- **Legal Requirements:** If required by law or to protect the rights and safety of our users

5. Location Data

AirEase requests access to your device location only when the App is in use ("When In Use" permission). We do not track your location in the background. You may revoke location access at any time through your device's Settings app. Revoking location access may limit certain App features.

6. Data Retention

We do not persistently store your location data. Non-identifiable usage analytics may be retained for up to 12 months to improve App performance, after which they are deleted.

7. Data Security

We implement industry-standard security measures to protect your information. However, no method of transmission over the internet or electronic storage is 100% secure. We encourage users to use the App on secure networks.

8. Children's Privacy

AirEase is not directed to children under the age of 13. We do not knowingly collect personal information from children. If you believe a child has provided us with personal information, please contact us and we will promptly delete such information.

9. Third-Party Services

The App may use third-party services (such as flight data providers and AI services) that have their own privacy policies. We encourage you to review the privacy policies of any third-party services used within the App.

10. Your Rights

Depending on your jurisdiction, you may have the right to:

- Access the personal data we hold about you
- Request correction or deletion of your data
- Withdraw consent for data processing
- Lodge a complaint with a relevant data protection authority

To exercise any of these rights, please contact us at the address below.

11. Changes to This Policy

We may update this Privacy Policy from time to time. We will notify users of significant changes by updating the effective date at the top of this document. Continued use of the App after changes constitutes acceptance of the revised policy.
